

GOVERNOR GREG GIANFORTE DIRECTOR BRENDAN BEATTY

To: Liquor Store Agents
From: Liquor Distribution Team
Date: April 30, 2024
Subject: Holiday Packet

Liquor vendors are offering a wide selection of holiday products this year. You can view the items on the Department of Revenue's website: MTRevenue.gov. To help us ensure that we do not miss any orders, please contact us immediately if you do not want to order any holiday products.

You may now start placing your holiday order through TAP (TransAction Portal) using the following methods: Manually or Excel.

For your convenience, most holiday items will be repackable. Please submit your holiday order by **May 31**. After we process your holiday order, a holiday confirmation of your requested items will be sent for your review on the same day you normally receive a confirmation. You may make changes to your holiday order up until **May 31**. Changes will not be allowed after that date.

Please keep in mind we may not be able to fill all items on your order. Vendors often do not ship enough product to supply all liquor store agents who have ordered them. We intend to send you at least some of every item you request on a pro-rated basis. We will begin shipping holiday products the end of September. During this time, we will send a separate holiday confirmation on your pick date showing the holiday items shipping that week.

If you have any questions, please contact us at DORAlcoholicBeverageControl@mt.gov.
