Agent News

*A complete list of discontinued items is available as an excel file on: <https://mtrevenue.gov/alcoholic-beverage-control/agency-liquor-stores/product-information/>

* Fortified Wine Agave Products can only be sold through Agency Liquor Stores.

* There have been few changes with Holiday items not reflected on the hard copies that were sent out. 102641 Jagermeister was priced at \$24.15 per bottle but is now \$23.75. Glacier Distilling is offering Trapline 3 pack with glasses for \$41.20 per bottle.

*Some NABCA numbers (first 3 digits) and product names are not matching the current NABCA data. The current price books still have the old data. If stores use the full NABCA number (xxx-xxxxxx-xx) or search by name, they might not be able to find the product on TAP. Stores should use the middle number to search for products.

*The holiday products are now on the Department of Revenue Website:
<https://mtrevenue.gov/alcoholic-beverage-control/agency-liquor-stores/product-information/>

*Svedka chages to Price Book below:
