

## What is a Competitive Bid?

When the Department of Revenue's Cannabis & Alcohol Regulation Division (CARD) determines a quota area is eligible for a license, the [competitive bidding process](#) is then used to allow interested parties to bid on the opportunity to apply for an available license. The highest bidder must meet specific requirements when applying for the license.

### Before Bidding

Think about how you want to run the business. The information you submit on the ***bid application*** is how you must apply for the ***license***. For example, ownership Information:

- If you bid as "John Smith," you must apply as a sole proprietor, "John Smith."
- If you bid as an entity, such as "John's Bar, LLC," you must apply as "John's Bar, LLC."

Please review the following information before beginning the competitive bidding process. (For more detailed information about licensing criteria, refer to [16-4-401, MCA](#), and go to the CARDs website or click [here](#) to find the Competitive Bidding Terms and Conditions.)

- The bidder must be 19 years or older (this includes all members of an entity if bidding as an entity).
- A license issued through a competitive bidding process is **not eligible** to offer gambling under [Title 23, chapter 5, part 3, 5, or 6](#).
- The Bidder must create an account in OKTA, click on the TransAction Portal (TAP) to access the competitive bid form, complete it, and submit it online before the competitive bid deadline.

### Timeline

- The Department publishes notice of quota areas eligible for new licenses when available.
- The Department will contact the highest bidder if their bid form has deficiencies and will allow the bidder to resubmit the bid form within five (5) business days to correct any deficiencies.
- After the bid closes, the Department will notify the winning and unsuccessful bidders.
- Once notified, see "After Winning the Bid Apply for the License" below.

### Submitting a Bid

- Submit a bid under the name you wish to operate the business under. For example, if you have an LLC and would like the license and business to operate under that LLC, use that LLC as the bidder name, NOT John Smith.
- Submit the bid before the deadline.
- Submit the bid online through TAP. (go to our website [Alcoholic Beverage Retail Competitive Bidding Process - Montana Department of Revenue](#), to see instructions on where to click on TAP) [Home - Montana TransAction Portal](#)
