MARIJUANA PRODUCT RECALL

The Montana Cannabis Control Division (CCD) is issuing product recalls for Marijuana Concentrate. The testing results of the concentrate utilized in the production of the marijuana-infused items cannot be verified.

CCD placed an administrative hold on the items on **July 16, 2025**. CCD has not received any health-related complaints regarding the consumption of these products.

CCD is utilizing the state's seed-to-sale tracking system to identify impacted inventory and is working in conjunction with **Granite Peak Distributing, LLC**, to issue notices to licensees to halt further distribution and sale. Additionally, CCD staff continues working with retailer licensees to remove the products.

These products should not be sold or consumed.

Consumers who purchase the recalled products are advised to destroy them.

The recall applies to the marijuana items identified below:

- Infused - Forbidden Nasty 1.25g Blunt

**These items originate from the following
Source Package:**
