MARIJUANA PRODUCT RECALL

The Montana Cannabis Control Division (CCD) is issuing a product recall for Infused Pre-Rolls Concentrate. The source concentrate was not tested prior to being added to the infused pre-roll.

CCD placed an administrative hold on the items on April 21, 2025. CCD has not received any health-related complaints regarding the consumption of these products.

CCD is utilizing the state's seed-to-sale tracking system to identify impacted inventory and is working in conjunction with **Selective Strains, LLC**, to issue notices to licensees to halt further distribution and sale. Additionally, CCD staff continues working with retailer licensees to remove the product.

These products should not be sold or consumed.

Consumers who purchase the recalled products are advised to destroy them.

The recall applies to the marijuana item identified below:

- Zesty Sherb Infused Blunts (1.15g)

These items originate from the following source packages:
