## Information for Completing Application

Please review the information provided to avoid any delays in the processing of your application.

### ***Application Process***

*You are required to apply for your Basic Permit by contacting the Alcohol and Tobacco Tax and Trade Bureau (TTB). When you submit your application to us for your Beer Wholesaler and Table Wine Distributor License, please send your application for Basic Permit to the TTB.*

When we receive a completed application, we will contact you and let you know that your application meets our initial requirements or to request additional documents. It typically takes 60 to 90 days to process this type of application. The approval process includes:

1. Notifying local officials that we have received your application. We notify local officials that we have received an application to help us determine if any concerns or issues exist that may prevent the applicant or proposed location from qualifying for a license.
2. Requesting the Department of Justice to investigate the applicant(s) and location.

Once the Department of Justice has conducted their investigation, if both the location and applicant(s) meet the requirements under Montana law, our department will contact you to approve the transfer or issuance of the license.
