

Request for Nondisclosure of Property Record Information

AB-NonDisc
V2 1/2019

The Montana Department of Revenue maintains a database that includes public information about property ownership, including, but not limited to, owner name, physical address and geocode. This database provides information for the My Property (<https://svc.mt.gov/dor/property>) and Montana Cadastral (<http://svc.mt.gov/msl/mtcadastral>) web applications.

You may request that your name is not displayed on the web applications specified above if showing your name threatens your personal safety or puts you at risk of physical harm.

Complete a separate request form for each property you own. This includes new property you acquire. We will review your request and send you a letter to let you know if it is granted or denied. If granted, your property ownership information will remain in the department database but it will not be displayed on the web applications specified above. If you want to continue to keep your name hidden, you will need to reapply every two years. Your expiration date will be in the letter we send you.

Email or mail the completed form to:

- DORPropertyOwnerNondisclosureRequests@mt.gov
- Montana Department of Revenue, PO Box 8018, Helena, MT 59604

Important: This request hides your name from public view on the web applications specified above, but does not remove your information from department databases that are available for download. Your information is still available to the department and its contractors. Your information is also maintained by local governments that collect this information for tax administration purposes. **This request does not prevent nondepartment websites and data sources from making your information available in various ways.**
